Regional Invitational Eligibility Requirements:

Any hound that has at least one ASFA point, is pointed in its country of residence, or is AKC pointed is eligible to enter a Regional Invitational in an appropriate stake, including Single Stake, if offered. Proof of non-

ASFA points for hounds should be in the form of a photocopy of the certificate, or a page of formal printing included with the entry. For a

Provisional breed to be eligible, the hound must have received a placement with competition. All points or placements must be earned prior to the closing date of the event. An eligible hound may be entered in any number of Regional Invitationals. Hounds entered in the Single Stake are not eligible to be entered in Breeder, Kennel, or Bench stakes.

Two Day Regional Requirements

When hosting a two-day Regional Invitational there will be a Best In

Regional Invitational held at the conclusion of the second day of competition. This competition will be judged by two all-breed ASFA judges. To compete in this final competition the hounds must have competed both days of the Regional and received qualifying scores both days and won Best of Breed at least once. The Best of Breed winners for each day will be drawn by random draw to compete in the Best in Regional Invitational. The hound with the highest total score from that run will be declared that year's Best in Regional Invitational for that Region.

UCBSC appreciates the continuing generosity of the Hanover Shoe Farms Inc. for permitting the use of the field for this event.

Permission has been granted by the American Sighthound Field Association for the holding of this event under ASFA Rules and Regulations

You can make a difference, even if you can help out for an hour or so.. Easy ways to volunteer at a lure coursing field trial (and you don't even have to be a UCBSC member):

Field Setup

- ◇ Come early (one hour before roll call) and start by carrying equipment
- ◇ Learn as you go how to place pulleys and tie downs

Field Clerk

- ◇ Volunteer to help the field clerk for even one or two breeds
- ◇ Learn how scores are tabulated and recorded – when you are comfortable with this you will be able to start helping the field trial secretary.
- ◇ The benefit is you will get a whole new prospective on the course and may learn by listening to the judges.

Runner

- ◇ Volunteer to run paperwork from the field clerk to the field trial secretary after each breed has run
- ◇ Scores can only be posted as quickly as the paperwork is delivered to the field trial secretary.

Lure Operator

- ◇ Hang around and talk t the lure operator between courses
- ◇ If you are interested, try running the lure around before the trial, at lunch or after the trial at practice

Practice

- ◇ Give the volunteers who have been working all day a break!
- ◇ Take the practice list, call out the names and collect the money.

Fundraiser

- ◇ It's great when people donate things, but even better if you can organize and execute a fundraiser whether it be a 50/50 draw, silent auction, raffle, etc. It doesn't have to be complicated or too time consuming.
- ◇ Feel free to do this at any UCBSC trial!!

Thank you for Volunteering

- ◇ Everyone will appreciate your efforts, and the trial will run more smoothly.

Whether or not you are an UCBSC member, please consider volunteering at this trial weekend.

If you have experience and are willing to work a job or if you wish to apprentice to learn a job, please fill out the form below and return it with your entry to the Field Trial Secretary. As an apprentice you will be paired with a person who knows the job so that you will have one-on one attention.
